

Laura Spegal, Nursery/Preschool Director

Hi! My name is Laura Spegal. I am mama to two besties as they say, Lily (age 7) and Annabelle (age 6). I was born and raised in Memphis but have spent the last 10 years living all over the US. I am very extroverted, but I love home and all things familiar. Through the highs and lows of being a military wife, six moves and being away from family and friends with very small children, the church became my support and family became my passion. As a mom, Pre-K teacher and manager of a children's play museum, I have developed a gift with working with young children and their families. I parent and teach children with intention and with the long-term goals in mind. Just like the 0-5 years are the groundwork for academics, the same is true for learning about the Lord. I believe that our mess becomes our message and love seeing how the Lord works through me and takes the lessons He has taught me to serve Him and others. I am so excited to become the Nursery/Preschool Director at Christ Church and to find community for my family. I am an open book and find great value in going through life together!
